West Virginia Section of American Water Works Association “NRW – Water Audits Seminar”

An overview of the revised Water Audits and Loss Control Program – M36 of AWWA’s Manual of Supply Practices 3rd Edition published in 2009.

This seminar will concentrate on the top down approach to Water Audits which is the initial process of gathering data from existing records of the water system and determining the Water Balance. Each participant will receive a copy of the revised AWWA M36 Manual and access to the Water Audit Spreadsheet which can be used to determine your water system Water Balance, Infrastructure Leak Index (ILI), and the Unavoidable Annual Real Losses (UARL). 4 CEH’s will be offered to participants.
