Dear Mr. Mundy:

Please accept the enclosed certificate with plaque as a small token of our gratitude for the West Virginia Section's contribution to the Research Foundation in 2003. We hope you will display it proudly as a reminder of your support for drinking water research.

We appreciate the vote of confidence your contribution represents. We also appreciate the many research suggestions AWWA sections submit each year. These suggestions help us develop a research program that is truly responsive to the needs of the drinking water community.

Thanks again. I hope the Research Foundation can count on your continued support as together we work to advance the science of water!

Sincerely yours,

James F. Manwaring, P.E.  
Executive Director
